Alumni Menschen

Alumni participation and generation toward this fraternity over this past quarter and throughout this entire year is greatly appreciated. We cannot fully put into words our gratitude for these exceptional people, whose continued involvement in their fraternity exemplifies

Dessert

It is that time again where I, as Alumni Chair, get to give you my final remarks and encourage the continued involvement of your fellow Alumni with our chapter. With that in mind, I would like to direct your attention to the invitation sent with the newsletter. Come November, the Chi Delta Chapter will be putting on the greatest celebration our chapter has ever seen by honoring those who have come before us. This year we are fortunate enough to have reached our 20th year as a chapter of Alpha Epsilon Pi.

Because this is such a historic milestone, our brotherhood has decided to host a 20th Anniversary Dinner and Fundraiser next Fall on November 15th, 2008. In having this event, we hope to bring together our alumni from every year and every pledge class in a reunion of epic proportions. It would be beyond belief if we could get all of our

brotherhood. The following alumni have contributed their time and or donated in other ways to the betterment of our fraternity: **Daniel Aleksander, Nick Heiser, Alex Olenick, Mike Amerikaner, Jon McEvoy, Kevin Leahy, Sasha Kluger, Jason Tessler, Aaron Kass and Evan Sherman.**

alumni there, and we very much want the honor of sharing this unique experience with as many Alumni as possible. For this event to be as successful as possible, please RSVP promptly (invitations with self addressed envelopes will come in the mail too) so that we know which alumni we still need to find and also encourage those brothers that you are still in touch with to go with you to the Anniversary. Additionally, we will be holding an Alumni and Brotherhood event at our house the following day to welcome back our alumni to their alma mater. Please make room in your calendars for this event, as it isn't very often you get to celebrate 20 years of the continued success of the Chi Delta chapter of the Alpha Epsilon Pi Fraternity. We greatly anticipate your attendance. Proud to be a Pi,

Jonathan Dunsworth
